

HSB Identity Recovery Coverage For Employees

A Complete Solution For Victims Of Identity Theft

Employers want to attract and retain talent and make sure their employees are taken care of. With HSB Identity Recovery Coverage for Employees, business owners can help their employees recover from Identity Theft so they can keep their eye on the things that matter to them, including their job.

3 Coverage and Service Components

Identity Recovery Help Line

- Report a claim
- Get information and advice on how to respond to a possible identity theft
- Obtain instructions for how to submit a request for Case Management and/or a claim for Expense Reimbursement

– Unlimited

Case Management

- Answers any questions or concerns the victim may have about identity theft and its effects
- Guides them to regaining control of their personal identity
- Case managers can take action on victim's behalf, with permission, through limited power of attorney

– Unlimited for 12 months

Expense Reimbursement

- Reimburses identity theft victims for out-of-pocket expenses they incur in the process of restoring their identity records

– \$25,000 annual aggregate with no deductible

A Simple, Low Cost, Effective Solution

- Simple one-page application
- Enriches a benefit program at the low cost of \$15 per employee, per year
- One-year term and premium stays the same regardless of changes to employee headcount
- Can help reduce lost productivity than can result when an employee experiences Identity Theft
